

## Journalists for three days: the BlogLab challenge returns

Data : 17 ottobre 2013

A pen and a writing pad, or a tablet, a camera or video camera; choose whichever instrument

you want. What matters is that you have a go. **BlogLab is back, from 14 – 16 November**; this

journalism workshop is organised as part of the **online journalism festival GlocalNews**.

Like last year, the challenge is open to high school students (from year 8 to year 5) and is a reporter, with the most innovative measurements. The teams will challenge each other for three days using words and pictures on topics awarded on Saturday evening. This year's headquarters are once again in Varese. Here we are used to our university. They read everything you need to know here and click on the word, learn more about the projects to the best, and team together. For 3 days
