### With final work on the Pedemontana, diversion on the provincial road; long tailbacks expected

**Pubblicato:** Lunedì 24 Novembre 2014

A section of **provincial road No. 57**, in the village of Lozza (the section between the cemetery and the Vedano bridge) will be closed for work on the **Pedemontana construction site**, **from 9 p.m. on Friday 21 November until 6 a.m. on Tuesday 25 November**.

The traffic will be able to circulate thanks to a diversion on the provincial road itself. The vehicles will be able to go **along Via Volta**, which runs parallel to the provincial road, and which is connected to both of the existing roundabouts.

Given the considerable amount of traffic that passes along that road, the solution being adopted is likely to cause hold-ups, as, for a few days, the traffic will be going along a minor road, with a smaller carriageway, instead of along the provincial road.

**As a result, drivers are asked, and advised, where possible, to use routes that avoid the area affected by the work.**
