## The “Frecce Tricolori” over the lake, advance information

**Pubblicato:** Martedì 26 Aprile 2016

The countdown has begun for the “Frecce Tricolori” Italian Aerobatic Team Show over Lake Maggiore.

The Mayor of Arona, Alberto Gusmeroli, has provided some advance information about the show on Facebook. “The Italian Air Force have published the programme of events ‘In Giro per il Mondo’ (Around the World), in which the ‘Frecce Tricolori’ Italian Aerobatic Team is taking part. On 2 July 2016, Arona will be the venue for the #ARONAIRSHOW. We’ve been having meetings since February, in preparation for the great event, and we’re going to have many more.”

“There will be a press conference at midday on 2 May, in the Aula Magna of Arona town hall, in the presence of the Chairman of the Aeroclub Italia, Giuseppe Leoni, when we’ll give the first details about the event, for which **the rehearsals will be in Arona, on 1 July, and the ARONAIRSHOW, on 2 July 2016.** Before the Frecce Tricolori performance, there will also be events and exhibitions in the skies over our beautiful town ... We’ve made good progress also with the sponsors, but if anybody wants ‘to be there’, they can still send an email to [SEGRETERIA@COMUNE.ARONA.NO.IT](mailto:SEGRETERIA@COMUNE.ARONA.NO.IT), before the final publication of the posters. The events before the ‘Frecce Tricolori’ performance will also be “a show within a show” for the town of Arona, which has increasingly become a reference point for all of the lakes.”
