### **Laveno-Mombello Carnival 2019**

Following the cancellation of the Laveno Carnival last year, which was for the second time in its history, the committee of the Pro Loco, under its chairman Franco Liuzzo, obtained the authorisation from the Parish priest, Don Carlo, and from the Mayor, Ercole Ielmini, and with the collaboration of the Councillor Alvaro Reggiori, of the local police and of the Civil Defence, to hold the carnival parade on Sunday, 10 March. This had already happened, about ten years ago, but at that time, because of bad weather on the Saturday before Lent, the parade was postponed until the first Sunday of Lent. This year, as many of the events in the area are taking place on the Saturday before Lent (although some municipalities have cancelled the event on the first Sunday of Lent) to allow the parade of floats to take place in Laveno, it has been decided to organise the parade on Sunday afternoon, in the centre of Laveno. The programme of Sunday, 10 March, starts at midday, with food being served in Piazza Caduti del Lavoro, which will continue into the evening. At 2.30 p.m., from Monte Sasso del Ferro, you can watch members of the "Volo Libero Lago Maggiore" paragliding club, then at 3 p.m., the parade of floats and masked groups in the town centre. At 4 p.m., prizes will be given to the best costumes, and the paragliding club members will arrive, with a surprise jump. Several groups have already registered their participation, with floats and groups in costume.
