How to raise children during a pandemic: the strains and hopes

Pubblicato: Sabato 6 Marzo 2021

The sharing of experiences by new and future mothers has also gone online, with **the first webinar promoted by the association Mamme in cerchio, of Azzate**, scheduled for **Thursday, 18 February, at 10.30 a.m.**

“How to raise children during the pandemic: the strains and experiences” is the title of the meeting, intended for parents, with the pedagogist **Roberta Broggi**.

“This year, we’ve had to adapt to the changes, to social distancing and to a new way of relating to each other. The current situation still doesn’t allow us to organise events on our premises; nevertheless, we’ve scheduled an online meeting, to reflect together,” the promoters explained.

Participation in the webinar is free.

Registration begins on 18 February, at 10:15 a.m., on **Google Meet**. Meeting code: jqz-entj-xje.
