Cluedo

Clue or Cluedo?

The game was invented as CLUEDO, but when Parker Brothers picked up the rights to the game in America in 1949, they shortened it to Clue.

It's a dark and stormy night, and you've been invited to a remote mansion where six mysterious guests assemble for an unusual dinner party where murder and blackmail are on the menu.

When their host turns up dead, the dinner guests become murder suspects. So whodunnit?

Join the iconic oddballs known as Miss Scarlet, Mr Green, Colonel Mustard, Mrs White, Professor Plum and Mrs Peacock as they race to find the murderer while the body count stacks up.

Based on the 1985 cult classic film and the popular board game, Clue (known in Europe as Cluedo), "Clue: On Stage" is a madcap murder-mystery comedy-thriller that will leave both cult-fans and newcomers in stitches as they try to figure out ...

WHO did it, WHERE, and with WHAT ?
