A tropical-themed poster for 'JERAGO BEACH 2019' held from August 2nd to 25th. The background is a light-colored wooden plank texture, framed by vibrant tropical illustrations including green palm leaves, pink hibiscus flowers, a toucan bird, and a pink flamingo. The event title and dates are prominently displayed in a large, white, stylized font on an orange banner at the top. Below this, the schedule is listed in a mix of red and black text, indicating specific dates and the featured acts or themes for each day. The text is arranged in a central column, with some days having multiple entries. The overall aesthetic is bright and summery, typical of a beach festival poster.
